

## Privacy policy

**Van Oord nv attaches the greatest importance to dealing carefully with personal data. Van Oord nv ensures that your personal data are always used carefully and saved securely. In all cases, Van Oord nv observes the requirements of the applicable laws and regulations relating to privacy.**

### **Processing**

In the context of the services provided, data of visitors to the website who register for a certain purpose are recorded. Van Oord uses these data in order to comply with information requests.

### **Right of objection**

If, in the context of the services, you no longer wish to receive information and/or e-mails from us, you may deregister for these services at all times.

### **Security**

To avoid unauthorised persons gaining access to your personal data, Van Oord imposes security procedures.

### **Visitor behaviour**

As regards the use of the website, subjects interesting to visitors are recorded by measuring the frequency of visits. A measurement is made of the total number of visitors to a website or the total number of visitors with a common interest for a certain subject on the website. The aim is to optimise the structure of the websites for you. In this way, Van Oord can improve the information and the services even further.

**Cookies**

Van Oord uses cookies when offering services. A cookie is a small text file placed on the hard disk of your computer when you visit a website. A cookie contains data that you enter on the website in order for you to be recognised as a visitor. Every time you visit a website, you can deactivate a cookie in your browser without this affecting the use of the website. However, this may mean that certain parts are no longer accessible or less accessible for you.

**Google Analytics**

We use Google Analytics, which is supplied by Google Inc. ('Google'). Google Analytics uses cookies on the website to help analyse how visitors use the website. The information generated by the cookie about your use of our website (including your IP address) is transferred and saved by Google on servers in the United States. Google uses this information to monitor how you use the website, to draw up reports about website activities and to offer other services relating to website activities and Internet use. You can block the use of cookies by selecting the appropriate settings in your browser. However, we wish to point out that in that case, you may not be able to use all the possibilities offered by the website. By using this website, you grant permission for information to be processed by Google in the way and for the purposes described above.

**Questions**
